**RESPONSE TO NOTICE TO FILE
MISSING PARTS OF NONPROVISIONAL APPLICATION**

Commissioner for Patents
Washington D.C. 20231

Sir:

In response to the Notice to File Missing Parts of Nonprovisional Application dated June 29, 2001, submitted herewith are the following:

1. Declaration and Power of Attorney.
2. Late Filing fee/Declaration Surcharge in the amount of \$65.00.
3. Copy of the Notice to File Missing Parts of Nonprovisional Application.
4. With respect to the requirement for Substitute Drawings, the formal drawings submitted to the Patent Office on June 5, 2001 are believed to be in compliance with 37 CFR 1.84.

More specifically, the Notice to File Missing Parts of Nonprovisional Application indicated that substitute drawings were required because the drawings contained "excessive text". Applicants respectfully submit that FIG. 6 is labeled as a flow diagram and as such, will by nature contain text which is acceptable under the rules.

Further, as this application is a continuation application, Applicants have merely submitted exact duplicates of the drawings present in the parent application.

Reconsideration and withdrawal of this requirement is respectfully requested.

No additional fees are believed necessary. However, please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 50-0436 and please credit any excess fees to such deposit account.

Respectfully submitted,
